this is a very hot day but a fine breeze
most of the time, little Clara has
the toothache, I Still am very
Sick I no Medicine comes
yet "

8th " Thursday
50 " 100 M I am very Sick &
Sick no medicine yet "
It very hot day but quite a breeze
most the time, I Made 2 little
wheels for Evas Coat.

Friday Sept 9th 1881

Sick — 6th " 46 " 10 Oh I feel worse than yesterday. have a bad head ache all day & suffered more last night than the night previous. Ella is quite sick all day also, fine blaze most of the time, Coll of Mrs Ingram late Ph. Received a Postal of Allen & Peacock.

Saturday

Sick — 6th " 57 " 10 1

Finis — Finis Pettiller came here from Fresno City. Thay got some Grapes & Sweet Spuds. the Pettiller said he saw Charley at work at Pettis house. I still feel very sick & sad have no appatite at all. I suffered terrible all night but Brought Stage late

Asthma Cure
1 Bottle from Son
Francisco of
Redington & Co

1881

Sunday Sept 11th

Wth 48 104 It's a very hot day but quite a breeze.
I went to town this A.M. though not able & Paid for Asthma Cure $3,00 for the bottle Rec'd yesterday. I mean one Still more on the same. They were too busy to attend to it to day.
The Asthma Cure helped me allready, but I feel terrible weak & a little sick.
P.M. I no went to preaching but none of the rest of our folks, Oh yes, Alice, went.
I Still Cannot eat anything at all.
Called Mesrs Taylor & Besaur a few moments.

12th 50 102 MONDAY

I am improving a little. But I am Extra weak. Mr Besaur & another Gentleman Called about Corn Cribs & Cranes.
It's Still very hot. Called for Polly Johnson after a receipt at Mrs. Called Blanford Taylor. He chopped a few sticks wood & pitched for me, & little rye hay. I helped me hauled out 3 shocks Corn fodder.

1881

Tuesday Sept 13th

13th 50.. 100 I was called in Court to day to interpit Spanish about Selling Figure to Indians.

Nettie Babe Born this AM at half past twelve, a Daughter, Mrs Clemens Comanches Officiated. Painfull worn.. I feel very bad all day..

Wednesday 14th

52.. 102 All day in Court interpiting Spanish, helped Mr Taylor to put a new bottom in his Wagon.. I feel very bad all day.

Mrs Prescott & Mrs Taylor & Mrs Laramore Called to See Nettie Baby Mrs Hawkins Also Called.. I Got Soup bone & piece of an old Nez Perce Goat..

15th (Cattle in field)

Thursday

55.. this AM Blanford Called & Put Cattle out & fixed fence for me. I'm then Commenced to Comb & Comb Hair & to be Chiefly & Gang returned late this evening Got Ten Apples of Lewey

Friday Sept 16th 1881

16th 49 102 P I began to improve rapidly this P.M. I went to town. went to town a little while P.M. Charley went over to See Schmitz about refitting up his Store. C Called Amanda Taylor & several other Ladies to See Nettie Baby.

Saturday

17th 47 84 P My worked in Blacksmith Shop a little P.M. to town. Charley fixing Sawset. I got 2 lb Bacon 50 3 pct & Lemons 50 ct

Lecture By Professor King evening

Sunday

C F P.M. again 28 gained. I went to town. Mrs Taylor & Maggie Come here & Army Cob & Ginny & Charley took the Taylors & Nettie them to the Lecture this evening.

I Got Some Grapes 50 cts

Monday 19th Sept 1881

19th 47 85 By Ah to town Returned the basket borrowed yesterday for grapes, to Capt Smith.
I Called on Mrs Laramore, Sally very sick again. Suffered awful all last night, Choking bad, Charley also is sick with a bad Cold

Tuesday

20 50 85 By My Cold is loosened up a little, I Commenced fixing the brush Comb to the Wagon, Called Edd Wood on his way to the plains with Sheep.
I have a slight fever again.

Wednesday

21st 45 77 By I have the funeral day I sent to town 50 Envy 25 cwt him for Apples, Charley & Guy Shod 6 Pr, Charley & I Scraped out watering Poles & hauled Some fodder out to feed.

Thursday

22d 46 90 By I worked in Shop
Sick Coin I Commenced Sprinkling a little just at day break Pa to soon set in Foster & Foster all day & Sat Nites very hard on Besses but a quarter I Spent a Cwt & a load of Water Come down on the Creek & Carried away Fences &c
George worked in Peglers Shop. Showers

Friday Sept 23d 1881

23d 44 68 I worked in shop a little
again, but feel very weak
Geo worked for Mr Taylor shaving
Horses all day Charley hauled a
load wood. I him & Ella
went to Burfords to a dance,
it a little Cloudy all day
but at night Cleared off &
Cold.

Letter of Wm H Hyde
Son Francisco

Letter of Wm H Hyde

24th Saturday

46 80 I worked in shop a little
finished the seat for Ella to ride
in, I helped Ella a little in load-
ing up to go home to Mamas
Charley went to Charley Nicholls after
hay for Mr Heaverins he returned
at 2 P.M.

25th 48 84 Sunday

Ella & Clara & Grimey all
Started home this A.M. at half past
8 Charley took them in the wagon
This is a lovely
day. Som improving just
the least mite.
Hattie Prescott Stayed all night here,

Monday Sept 26th 1881

26th 55° 86 h

All day Puttering about. but able to do but very little. Turned Little Lula out in lot with old boy's. She behaves splendid. Put them all in stable together last night.

Georg went over to town. Sent did not Cozze to Elmira

Blacksmith Mr Taylors Blacksmith Taylor returned last evening

Wm Taylor stayed for the plums yesterday P M

27th 47° 80 h

Tuesday

Got out sides & ends to a little bed for Eva. Could not do much feel very bad all day Neuralgia Sick & Asthma all combined.

Georg was on the Jury most all day. he brought me

Asthma One 1 Bt Capt Sent Me"

" " " Georg also bought 250 Apples of Lewy. Flora went to town P M

Took a heavy dose of old Sanb to night,

A little Cloudy all day has appearance of appr a shower

Wednesday Sept 28th

28th " 49° 75 th

Sick All night. I Suffered nitens agony never Suffered more in my life, but Sal I Much better to day, George Started for Fresno about half Past ten It's Cool & windy, & a little Cloudy & Smokey, I feel very weak can Scarsly get about at all,

29th " 44° 83, Thursday

All I Started to Sled & timbers 2 Nichols Cradle home I brought a little kindling for work fire with me, then loaded up, Some Ladder & Some Beam ends that we pulled up, then Eva, went with me to up to Patterson Ferry to Exit it I feel Quite bad yet Especly Re Symptoms of a Chill again I ate a little for dinner however

(Cold) At I ran more of the timber to Mabees Corpling pole, but I had nothing,

30th " 41, 86 " Friday

(Sick) I Suffered very Much all night with fever & Neurolgia & to day have a little fever all day cannot Even roll I did was to put the tongue in little Eva's Cart,

Went to town got me a can of Salmon of Smits 25 P & a box of Lead pencils of L & S I bought the least of Apollo 4 P th with 1500 Dr Green Charley returned about

Saturday Oct 1st 1881

1st " 42° 83 h Mr Nichols brought his little wagon over & we made a few Sand board & put it & I made 2 new bolts & finished some new bolts besides, we finished half past 3 P M & Charley went to town for a wagon to go with Mr Taylor to Morrow after more grain. Mr Taylor called this Mr to go & get the mettle of going out I did not get there until 3 P M

Call of Mrs Lorance

Mrs Small.

2d " 40 82 58 75 h Sunday

I suffered all night with fever " But to day feel much better.

Call of Mrs Nichols & later Mr Hawkins & family.

I went with Charley Mr to get a load of long wood, then to town let Taylor the Blacksmith take the measure of & send for Thimbols to our wagon

3d 60 75 Monday

Charley Rain Started out for the plains after grain Mr Taylor also started it Sprinkled quite a little shower early Mr I went to town Mr bought a file 5d bought by Spirit level from Mr Capt Smith Rod

Tuesday Oct 4th 1881

4th 50° 78h Am first a box on Evans Cart
PM to town at 1 PM & feel fever
just coming on. its a lovely day
I cooked badly all night. It was
too cold.
I ate quite a little meal both breakfast
& dinner.

Wednesday

5th 41° 78h. Am I went to town
Expected books to Geiger at Fresno.
waited for meat until 11. Came
home went back after dinner
& got the beef of Lewey 60lbs
Called at Mrs Lara moves quite a
while... I do not feel able to
work any to day. Pettie went to
town PM

Thursday

6th 34° 76h
Am I fixed Georges knife put a nut
in it. I dont feel able to do any
thing for fear of bringing on the
fever again so I lie low.
Pettie & her ma went visiting with
baby & Sweet little Eva.

Friday

7th 34° 79h Called on Nichols bot figs
Am hoed up the 3 hills Shocks of fodder
next to Stock & thrashed one Shock Bu.
& made a little hand brooms &c. dont
feel well at all. Mr Nichols came
over last night brought me some figs
& loaned me head lines.
Lucy Lonely day. I wrote letter to

Friday Dec 16th 1881

16th 30" 60 Rn Oh fixed Creek bank in Cow Corral then took 2 peach trees from wash boiler & set them out in Garden & trimed them all up nice also mowed 3 Cement bushes &c. P.M. Split some 9 rails out of log that got burned partly. South Side Creek I set Moth Sawed wood, hauled it home & went up to the Spring & Got the horses & harrowed corn field that was P.D. early to kill the wheat that was sprouted. So as to seed & Repaid Barley on it.

Charley hunting his hogs most all day. He turned a little while to finish up fence. Beautiful day.

Mr Letcher Called.

Chris Called P.M. but did not stay long. I shut Chickens out of Garden.

17th 26" 65 Rn Saturday

Oh finished weeds & Briers South Side Creek plot then Commenced Ploughing in Garden & Laugh. P.M. the Same finished Slough & banks.

Charley All day. Ploughing at front gate. finished the plot part.

Mr Pieget Made an axe handle in our Shop. & Jr Keys Taylor took Supper

Came early after his dog.

I transplanted the Geese bunnies Letter & Nettie per & little Eva one White & Red. Eva has the Chicken Pox.

Sunday Dec 18th 1881

18th " " 2.6 62 Pk Beautiful day
rather Cool. Call of Mr Ingram
Mrs Clemie Mrs Kelly & Lotie Pk
only stayed a little while.

Lord Connor found

Pk & Gimbed some alders
& brush S Side Creek, & found
our Land Connor on Top as per 61
Pk & two Bs would look of
our field to examine Connor
Stokes & look to the line at "

Grip Sick

Wm Prescot Stayed all night
& took Breakfast with us & returned
after Supper & went off with Charley
Grip awfull Sick last night
Gave her a bot Brandy & some
red pepper & this Am was all
right again.

19th 23.77 Pk Monday

Pk tempered the Moline plow,
then went to Ploughing in Corn
field & Pk also & Made water
furrows across Creek next to road
Charley sowed the Some Mr
& Pk harrowed it & at intervening
time Ploughed South Side Creek
Early Pk & took Mrs Kellys
Dog home to her.

Fixed the Cleves on plow
Beam for an Indian Pk

Tuesday Oct 20th 1891

20th 2 5/8 73 lb All at Mr Rawlings
Had some Posts & rails for partition
fence in place of the old Burst fence
& also fixed a Clevis to Little plow
& I Cleaned off a lot of Brush & weeds
on ground to be Ploughed &
P M & I Rld in Corn field & Cleaned
out the water furrows & road
in the Swoley place. I feel very
tired
Charley Ploughing all day S & Cuts
Mr Ralscott Rec'd a plow
handle to Mr Nichols Plow.

21st 30 1/2 62 lb Wednesday
Mr Shoed 1 Molvie
plow & put a new nut on plow rod
for Mr Nichols then Sowed & Rolled
in Spring Barley in Corn field, here
a little left. Then Ploughed in
Corn field Ray still finished Mr
Nichols Plow Mr
Charley All day Ploughing & Side Cuts

22 "
24 1/2 66 lb Thursday
Mr finished Ploughing
in Corn field & P M sowed it to
wheat & a little balance of Spring
Barley & Covered all with the
Land Leather.
Charley All day
Ploughing & Side Cuts he also
finished. After Supper Lowent
to Penlows Store got 2 lbs
Brimstone & Store

Friday Dec 23d 1881

23d " 24" 73 th.

Mr Hammond across Creek South Side in until most in then Gathered up the Shs as Charley finished Seeding. Cote M. & P in the Hammond S S chopped at my Black Oak tree top & hauled home 2 sled loads. fried the Old Ash tree on on Nichols Old garden we let Mr Nichols have y Shs Rye. 4 80 lb $12.00 $

Mr Nichols 1,80 lb Rye to

Mr P get Charleys Rifle to shoot a hog

24th "

24, 5 th Saturday

Mrs Jones called

finished

Quite Cloudy all day I set in & Sprinkled a Manure, Charley finished Seeding Hemming wheat & Barley, about 4 P M

Mrs Jones called to invite us all to a Social this evening Charley went, on Pres set got a little Straw for hens nes & fixed front fence a little Mr S chopped a lot of wood of the Black Oak & hauled 2 sled loads home.

Also cleaned up & burned the brush. I got awful tired, I also made water furrows Mr & Charly got 2 Cans Oil $1,50

Sunday Dec 25th 1881

25th 35 " 34 Ah. Am put cows bell on Selam " Clara & I went to Mr Taylors to dinner after 3 PM we had a splendid dinner Mr & Mrs Taylor Mrs Andrews & the three boys "
Charley Gathering hogs all day "

Monday

26th 35 " 24 Cl Ah
Death of Mr Wm B Taylor our Dear Beloved Friend & Neighbor is dead the news Came to us about 6 PM that he died at Mr Sinclairs " this is the most sad news we ever recived in the Flats "
Mc 8 Ph
Charley & Tom Martin were Gathering hogs all day in till the news Came then they went to help make the nessisary preparations to go after the Corps "
Rain
It rained slow snow about 3 PM
I shoped wood Am & Clara helped me transplant some Pie plant
Mc 8 PM After dinner Ma went with me to town She Called on Mrs Robeles I got Graham flour & Corn Kerosene When loaded 3 wagon loads wood

Tuesday Dec 27th 1881

27th 45 " 62 h Charley & Jim Martin went after Mr Taylors Corpse to Jeff Dimlops Started about 2 P.M. & returned about 5 P.M with the Corpse & I went up to Mrs Taylors with the two wagon " I returned early P.M & Clara & the darb "

Charley Came home about 8 P.M. Poor Children & Mrs Taylor it most breaks their hearts "

Sunday January 1st

New Year

27.. 73 ½

Andy Johnson

Very Small. Started home Oh I Made a good wrench for wagon as the one I Made yesterday was no Good.. I P M I walked up to Taylors through the field.

Charley returned

Call of Andy Johnson after seed wheat..

Charley & Bluford returned from hog camp.. about 3 P M

Its a little Cloudy all day

2d..

42.. 54.

Monday

Oh Cleaned out a lot of hog shuck out the dirt I & I hauled it in to rot for the hogs I P M hauled 2 loads hay into Stable & Olds. Smith Corn husked 6 pone & shucks in & put them in the Crib.. Charley & Bluford brought a little band of Messers hogs & pigs in.

Andy

Charley took lumber to Tims Taylors to make a Manger at hog Camp.

Johnson Come this Oh after the wheat 4 Shs.. 600 lbs $20.00

I gave him some straw for filling a bed tick.

1882

Tuesday January 3d

3d 32 76 By Ah Lee Jim Martin & Bluford & Jackey & Jackey with his pups, he led the pups as far as town then put Bluford to the pups & Jack went home. The boys all helped Charley tote the hogs as far as Heaths. To Hogs moved

Killed a hog Stood early to morrow morning, Charley returned at 1PM & I had every thing ready to kill the wild hog of Mrs Taylors & Charley helped me with the hog. At 4PM Jim & Bluford come along with a load of hay & Charley put his bedding & Grub on the wagon for the hog camp & on the route thereto.

Also chopped some wood

Also got a Vial of Asthma Cure.

4th 45 54 M Wednesday

Rain It Commenced sprinkling about 4 PM & Continued to sprinkle & shower lightly most all day & Eve nitures & now at night has the appearance of Clearing off again.

Saw Logs I cut the hog up & Made Sausage, cut off the lean part & the very fat part to lard & put a board Cover over the old Saw with pigs & wood thereon as very sick.

1882

Thursday January 5th

5th " 45° 68 M All day Mostly Hauling Manure on garden A little Cloudy all day but pleasant & warm.

Charley returned from the bay Camp. at about 1.30 P.M. & Sam Martin & Lobley returned with wagon about 3.15 P.M. All well & right Side up with Care

Charley

Friday

6th "

40° 30 M

It Commenced drizzle rain

(Rain)

about 9 A.M. & in short time raised quite fast & continued the Greater part of the day. & now looks quite Clear at night. Charley has gone to the lodge at Schoolhouse. Old Sow is all right again Charley put her out in little Corral at his stable

I homered out & Shoveled Silage. Charley helped me a few Moments. Made it out of Andys old mould board.

Saturday January 14

7th 28, 54 M I chopped wood quite a while AM then Ploughed on piece next to Mich Kilen Charley Allen Ploughing on Same piece

I suffered terrible again last night, with Neuralgia Charley gone to the lodge again this evening.

Cloudy all day, & Cool, espily PM.

8th " 24, 39 M. # Sunday

AM first thing after Chores I sawed & Split a lot of Stove wood then I hawed & twoked a little rest for the woodagain until 11 when Mr Prescott Come in & Stayed until about 2 PM. then I dug up & transplanted a few blackberries & vines.

Then cut more wood till Chore time. Wm Prescott Come home with Charley about 3 PM & both Soon left again.

My Leg pained again all last night was obliged to Get out of bed again.

9th " 22, 5 PM. Monday

Seeding Rye } Call of Mr Hunt AM for me on a Jury. I was Sworn & excused. PM Harrowed while Charley was Seeding rye.

Call of Thief Anderson & Lew Library books.

Charley went at Harrowing after he finished Seeding & he harrowed the balance.

Asthma Cure

1882

Tuesday January 10th

10th 2.2.30 Pm All day & bringing
my ry mole. Charley finished bush
first thing. Dr then he ploughed
on Rye mole & I on South Field clear
to the bottom.
Plowing
Cloudy All day & just before dark
began to Rain & Snow & at 8 PM
cleared off again
Newbattle Asthma Cure
Letter of Nettie They are all reasonable
well minding Alice,

11th Wednesday

2.0.. 4 Pm

Dr Chopped up all the B. Oak
logs at wood pile & raised the horse
Manger 2 ft. 4 PM to B.M. the kitching
post W Side long & reset it at the riding
block & Stump & wheeled off the
brick bats at yard fence & grubbed
out some weeds &c.
Snow
Charley Shod the little Mare. front feet,
It Snowed about an inch
last night & only South Sides melted
off to day
Cold raw Cloudy day
PM Charley hunting
Hay Spud grubbed around
this P.M..

had good success. Coll & Mr

Prescott brought My Cider Chestnuts,

Monday

16th " 16. 63 M

Bronded Colts

Ah George helped me brand little

Dinla & Kelly, & the 2 Colves

belonging to the day & cut off part

of a hog & made Sausage of it

Charley hunting hogs all

day Got 1 Shoat. & Dressed it

Started Sussex after 9 Oclock.

George Rid his Colt by Express

Tuesday January

17th 22° 63h Chopped a little split some posts
& Charley hunting hogs got 2 old Sows
George went to the Mine & Drove with Books
& returned at about half past one P.M.
I gave George a list of Books for our
Library.

19th Wednesday.

21° 58h After dinner I Sam
Martin & Lockey Taylor Come down
I helped Charley drive his hogs & pigs
as far as Mr Heaths. Lockey stayed
there & Sam & Charley Come home.

Hogs Gone below

After dinner it
Clouded up a little looked & blew
like rain but before Sunset
Cleared off & Cold.

George Gone Home

I finished
working up the Post Oak log.
into post 42 & Gallons pine wood,
the Boys then finished piling the Stumps
opposite our Garden.

Called Buford Taylor

I have did a big
Washing all day
George Started home about 7 15 A.M.
we sent a Letter Some Sausage & Ham &
some Lard &c.

19th 21° 60h Buford Called after Supper

Thursday

Mr. P.M. Mr Chopped & Stove wood till with off of the old log.
then hitched old Boys to Sled & hauled the Oak timber
& pine wood to House, Green timber &c.
& Nuts Wagon went up the Bloom flat
Got some wedge timber & single tree timber
& a load of limbs for fuel. I also got
a few pieces of Old Iron near 2 Kegs
Nails. Mr C after Supper.

Friday January 20th 1882

20th 21" 61 Ph

All day choppeing wood at house & cut out some Singletrees Charley returned from hog Camp by way of Dunlops

Saturday

21" 21" 66"

Horse turned Out

Am finished Cutting up all the wood at house & Ph hauled the R & S lines for Prescott. I got very tired Am Charley turned old Boys & 2 colts Lila & Nellay ant awer at dead wood.

Mr Howeth Called Charley from the floom & told him about Some hogs being there"

Sunday

22" 23" 68 Ph

Am I went over to Mr Prescotts. to show him his lines & Cinnos of his homestead.

Robelee Charley went hog hunting Am ant the Hogs on Howeths told him & ant last night proved to be on Burfords Charley returned at 10 & went to Mrs Taylors to help Cut up pork. his ma went up Soon after Ph" I returned at 3 30 P Ph" Called on Robelee at Most & P Ph wants Charley to take him to Madera. Charley went to the Enterprise to get Dr White to go for Robelee Charly brought Some pork from Mrs Taylors

1882 Monday January 23

23 32° 6 4 h. Quite Cloudy most of day but now & PM is quite Clear but blowing a little like rain. I stopped at the old log house all day except nothing up & hunting old rubish of the road on the Johnson Grant. Oberley puttered about 4 h & PM hunting hogs. We Rec. letter from Alice they are well.

24th " 37° 46 h TUESDAY

Rain & Snow } Commenced Raining & Finely rained a little we hauled some post out & road to make fence & built kiln we set 46 rails above me in Blacksmith Pd Thomy from Madeira went to Mrs Foyles to rent the shop. My arm pains very bad all day

25th " 24° 4 8 h Wednesday

we hauled 1 load post but had to Quit as the Creek Bank near the shipping with Ice, we set posts balance of the day. My arm is getting a little better.

1882

Thursday January 26th

26th 27° 50 Cloudy all day & about 7 P.M. Commenced raining Rather however too Cold to rain long. Letter of Pettie all Letter of Pettie Quite well. me finished setting Posts all existing 3 at the gate. We also Chopped & hauled Several Sled loads Post & rails. About bed bed time Commenced Snowing & Continued most all night but thawed Considerable.

Old Boys returned about 6 this evening with Lula & Polly. Charley put them all in the Stable.

27th

35 56 M Friday

Chopped wood most of the day finished up the old log. about all that is fit to chop Charley worked in Smoke house most all day Made Salt box for Salting meat & a table to cut the meat upon & Moved the Chopping block in the opposite Corner all done the he went hog hunting Short time. Call of Mr Scribner wants a 2 inch Auger.

Snow fell most all night but most of it melted only about 1 inch remained Mr & all except South Slopes melted to day. Call of Mr Davis after School house Blackboard with the Scale of Yards written on it, wants it for Mrs Davis Pupils

1882

Saturday January 28th

28th 2° 64 h

Cows / Hog Killed / This Days log

turned out Charley Neb Peggy & Jenny & their Calves over to Dead wood to day & on his return Lina & Dick brought a big old hog. Charley shot it & brought it home we helped it & finished washing up the old log. Rhod a few posts & a little more wood. Ph & Neb a walk over the river

Sunday

29th 23° 64 h rather Cool & cloudy All day only at intervals quite warm. I pulled out some nails out of the old bunker where the floor broke opposite from field

Mrs Taylors hog

Mr Charley sent to her that he killed & helped Yesterday.

Call of Mr Wood

Called on the Contractor Place Charley let him have some Sawmills & his ma gave him a Coat & some papers & Speller for his little Girl.

Lds 14 lbs

Cut Scantling for girts in Smoke house.

Call of Wm Prescott

Late Ph & Stayed the evening

Monday January 30th

30th " 2 ft. 59 In A M & timed the 2 tims big pines whose Lk L.s house used to Stand.

Timed 2 Pines

Charley took the Old Boys & the Colts & little mare. Over to dead wood. P M Son Maggie Taylor passed along road where I was chopping up the limbs. Also Mrs Andrews passed & talked with me.

Took Horses off

Charley returned after sun set.

Clara went to town Got the papers.

21st

Tuesday

Big Snow

32 " 36 In

A M it threatened Snow & soon Came in & Continued extra all day big balls like in the past. Charley hauled a load of pennels out to road fence. A M & I chopped a few moments pine limb out at brick kiln. I worked in shop below a time that is part of the day. I made an Iron wedge put a piece of Steel in it. Charley struck for me.

XXX

Snowed until after dark & until at 9 P M it's 34 degrees & snow melting as through the day a very little.

Charley Slitting timber for yard fence, pickets,

1882

Wednesday February 1st

1st 13 1/2 lbs Cold & cloudy about
4 inches Snow. I am Comfortable Clean & Melted
off a Good position.
I worked in Shop most of the day
made a pair of Gate hindges,
Charley finished Slating timber for
pickets & then made a ladder for in
the Smoke house,
Then the two a rode to Nichols
I feel a little sick this evening,

2d 22 1/2 lbs Thursday
I timed down a very ugly old Bull
pine near Duck River it was stuck &
tough Case it tried me so I could not
do much P.M.
Charley Gunned
brush all day on some piece,
Clara washed Clothes, Sam
Martin returned P.M. from hog Camp with
2 mules & 2 horses & wagon,
My back aches to day,

3d Friday
24 1/2 lbs I am Charley &
Myself timed up balance of pine limbs
of the Bull pine & P.M. burned them
together with a lot of other brush Col
Wiley & small logs all night. Charley Shine
spend the evening at Mrs Taylors,
Letter from Hawkins Received a letter of Mr Hawkins in regard
to School & Martin & teacher
I also wrote the answer,
Some 4 men Camped between here &
town, two got St Jacobs Oil

5 a

1882 Saturday February

4th 26" 7 3/4 All day day clearing up land. finished chopping up the limbs of the pines & then burned the brush all up nice & clean its a little mite cloudy. Jon Martin hitched the mules to the little Spring Wagon they go frist.

(mules) (Mrs Johnson Come here)

Mrs. P. M. Johnson came here this evening & went to the lodge & returned & Stays all night together with the Girls Sally & Mudy.

5th " 28" Sunday

Mrs Johnson & the Girls Stayed all night & this day Clara went with them to Sunday School & preaching.

It a little Cloudy

Clara returned at about 2 P.M. with a bad headache. I made a Rail Gap Gate & about 2 P.M. went to town & on my way home Called on Capt Smith he is sick with a cold & sore throat. I Got a bot of Asthma medicine

6th " 13" 52 M Monday

All hands wood P.M. all the pine limbs chopped. All are distributed the pannels & boards along for fence

Letter of Ella all well

Tuesday February 7th 1882

7th 23° 62 P.M. AM we nailed on panels & boards & pickits to most to the spring. & PM we moaned the road gate out to the new fence. et R

Called Mr Johnson stays all night with us

8th " Wednesday

23° 69 P.M.

AM we put B off & moved to new place the panels for the new fence along the road. et J.

Mrs Phelps Mr Johnson left about 10 AM. & PM we put the panels

Letter to Mr Johnson. I dont feel well, Neuralgic troubles me awfull.

Call of Mrs Phelps P.M. We sent letter to Mr Johnson about 8 Sch.

9th " 23° 70 P.M. Thursday I caught a little extra Cold & Choked & Coughed Considerable all night. Besides My leg pains terrible.

We took balance old fence down AM & PM put 2 blasts in the big log at road gate blew it into 3 parts & PM we hauled it to one side & also hauled out balance of the panels & all the posts for portion fence

Cotton seed bottle

& Charley went up to Raymonds & Ploughed a little.

Raymonds

& I chopped a little wood although my ribs pain so much when I hurt it Yesterday. I could not do much work the leg pain about 40 feet apart.

1882

Friday February 10th

10th 32.68 M Commenced
Raining about 3 P M & turned
to Snow & Come down in good
(Rain) earnest. Mr & Mrs Wm
(Snow) Come up last night at 9 they
had an upset on the Grade but
(Raymond) fortunately no Serious damage
(Snow) done Mr R got here & had

11" 34.45 M Saturday

(Snow) It Snowed nearly all day
& all last night it is 6 inches
deep" & melted off as it Snowed
at least 2 inches besides.
Lot least 8 or 9 inches fell
in all.

12th

Sunday

10" 50 M The Sun came out nice
& clear AM but P Soon became
a little Cloudy & remained so all
day. Mr Raymond &
family started for our
Creeks about 11 AM & Charley
went with them as far as Schallhorns
to show them the road

13th

Letter rec'd

Monday

Mr Raymond Gone home Facts of Snow melted P M 25

Letter from E. G. Kelly

31 19" 39 M I chopped a little wood
cut & mended my Britchin & Charleys boot,
Mr Prescott made an exchange &
took dinner with us. Mr Raymond
& family Came up from our Creeks
about 11 AM & at once started for
home. Charley Got his Sayles Shotgun

Tuesday February 14th 1882

Yesterday Shira Had Pups

14th 26° 60 Pk. Am Mad & 12 ft Ladder & 8 Pk hewed out a beam for a Sorraw. Charley hunting Druid & this evening with Mrs Foyles Shot gun home. Called Andy Johnson to Dinner with Charley Cole. Considerable Snow Melted off. Letter from Nettie last night Also one from Kirk about School Matters.

15th Wednesday

Letter from Alice. 26° 60 Pk & little Cloudy hazy all day. But Still lots of Snow Melted off. Stewart brought hoes & bit home. Charley went with Doctor Lewis to Dead wood. he Sowed Oats & Colts & Cattle. We get letter from Alice She is not very well. Also Clove Got Dr Pirds Round Book & 2 new Posies.

Horses seen.

I finished the Sorrow beam Hewed yesterday & hewed out one more, Ground Plane bits & Chopped lots of wood. & Split Stove wood &c.

Thursday February 16 1882

16th 39 45 Commenced to
Rain rain about 4 this morning
& Continued at intervals all day,
18 & about 5 P.M. Commenced to
Snow & Continued all night
8 I worked a little at home timber
Snow I do not feel very well.

17th Friday
2.6 50
About 3 inches Snow this
Snow Am & quite Cold a little Cloudy
all day Snow Melts but very
little not every falling off of the
trees. I finished Getting
out the 4 beams for stone 3 mile
Spruce & nearly 8 ft long.
I feel quite well again. I sent
letters to Bates & Hamilton & Marcus
Hawley & Mr Winters & Mr Wheeler
Also a Petition to George for a
new Mail.
Is Clear & Cold at night
Charley went to town by mail
Our letters One to Alice,

18th 2.0 50 Saturday
Cold & quite Cloudy all day,
I worked in Shop & Chopped
some wood, Charley also
Chopped up limbs that fell from
& by the near Garden. & he fixed
the broke in fence Carted from limbs
I made a pair Goto bridges &

Sunday February 19th

19th 17" 33 h & little Cloudy & cool all day. Patched sled shoes set Mode a ring pin on a wood wedge & made several wedges. Then I put girts in the Smokehouse. etc"

(Hattie he got a bird) Coll of Hattie Prescot. Also Wm P. Stays over night with Chorley"

Clara went visiting to see Mrs Prescot" P M.

Charley got 1½ Coffee & Salmon 6 Cans $1,25

Monday

20th

20" 52 h Pair old Selom & Sam were standing at the road Gate this morning. but not the Colts.

Hattie Prescot Got the James Bur. to read Yesterday.

Chorley All Day hunting for the Colts but could not find them. returned at 5h two B Clock & started off again in Search of the Colts & little Mare. & two B old Selom & Sam away to stead Wood with him. I dug ditch on South side Smokehouse & put bottom board on bottom & made Steps from the door to top of the hill.

(Horses)

it was a little Cloudy all day Snow did not thaw much.

Clara went visiting to Mrs Letchers to day P M

1882

Tuesday February 21

21st

24.160 lb

Letter of Martin

All day at work at smoke house ripping lumber for battings & putting them on. Sul very stiff & sore & lame all day.

Charley took his mares up in the ranch to let them pick a little grass.

But very few clouds seen today.

Red letter of Mr Martin School teacher of Madera desireing to become our School.

Also Pamphlet

By B. F. Underwood

Wednesday 22d

25.165 M.

Clear & Cold. Clara got a kink in her back this a.m. that pains her very much.

However She did her washing & finished putting on battings in the Smoke house.

Prescott

Call Mr Prescott took dinner with us. & then Charley took Gip & the Sled & hauled a keg of pork from Mrs Taylors Provisions.

Andy

Mr Charley took his mares out to pick grass up in the field.

This is a beautiful day.

Call of Andy Johnson, he stays all night.

Thursday February 23

23 2.8½ 60 ½ Is a little Cloudy & Cold. Andy Caught a bad day all night. Caught fine bad all night

Charley went for hunting dogs. but did not get any & moved entirely from out from Store room to Smoke house. Sallie Combed Some weeds on new ground for Garden.

1.30 P.M. Charley returned

24th 40.65 ½ Friday

All day Ginning & Chopped a little Wood & went to town to see Johnson about School Teacher Martin. Sallie sent Letter to Martin accepting his offer as Teacher this coming Summer. We also rec'd letter

Postal to Nettie & Alice

& a Letter with a list of Library Books for us to select from. I sent a Postal to Nettie in acknoledgement of her letter, & gave Johnson the list of books to look over this evening at his home.

Letter to Mr. & Mrs. Hamilton

Charley Went hog hunting & got one pair of dogs & came home at 8 & took Supper & went out after it with Gip & Sled & Chopped it. Rec'd letter from Mr. Hamilton about Sons working

1882

Saturday February 25th

25th 31° 63 Pr I worked most of the day at grubbing bushes finished & burned a few
Charley cut up the hog & Pr went down to Wiley's & went to town to see Johnson about Library Book Bp 1 & N 1
Yesterday I got a new Diary Bub 75 cts 4 lb B Powell $1
(Wiley Small) did not see Johnson he had gone to Nichols went to Fresno
Wiley & Small stays all night with us
After I come from town I chaped the Sausage meat
It looked like Rain about Sun set but blew off again

Sunday

26th
45° 50 Pr
(Rain) Comenced raining before day broke this A M & continued steady until about 2 P M wind turned from S to W & just poured down for 1 hour then it Comenced snowing & about 3:30 or 4 P M cleared up a little but about Sunset Comenced raining again & by 6 Came down heavy
(Cold) Charley & Wiley went to Nichols just before the rain Comenced this P M.
(Snow) Mr & Mrs Laramee & Mr & Mrs Geil Colleen are a little while just before the rain set in

Monday February 27th 1882

27th 35.64 Fr Mr Knight to see Mr Nichols about Library books, I wrote a few lines to Gurge & Nettie, we Rec'd a letter from Nettie this evening

I closed a little wood PM & Charley took his Mares out to Graze & Mrs Knight went to Mrs Taylors,

Clear cool after the Rain I wrote a Postal to Nettie after Supper

Came with the Mail,

Wiley Snow

Started home this Afn.

28th 32.68 m

Tuesday

Mast of the day Grubbing weeds inside Garden fence, & Spading the Same,

Charley helped his Ma in the Flower Garden a little PM & Afn he finished Ploughing Rye meadow & after dinner he finished cut with Gig & I planted a few Peas & Spuds, he used Gig alone on Rye field also,

This was a lovely day,

Called on Christenia P.M.
